Section 31(6) of the Highways Act 1980

I, Alan Vernon Barker of Inholms Farm, Stonebridge, Dorking Surrey RH5 4DR, solemnly and sincerely declare as follows:-

- 1 I am and have been since 18 August 1992 the owner of the land known as Inholms Farm, Stonebridge, Dorking, Surrey more particularly delineated on the plan ("the present plan") now produced and shown to me marked "A.V.B." and thereon edged red ("the red land"). (I had previously been one of the co-owners of most of that land since 24 April 1976.)
- 2 On 22 November 1993 I deposited with Surrey County Council, being the appropriate Council, a statement ("the first statement") accompanied by a plan delineating the red land. The first statement stated that the ways which were coloured purple on the plan which accompanied it and which are within the red land and coloured purple on the present plan had been dedicated as footpaths and that no other ways had been dedicated as highways over the red land.
- 3 I am and have been since 4 August 1994 the owner of the land known as Scammells Farm, Tilehurst Lane, Stonebridge, Dorking, Surrey more particularly delineated on the present plan and thereon edged green ("the green land"). (I had previously been one of the co-owners of that land from 24 April 1976 until 18 August 1992.)
- 4 On 16 August 1994 I deposited with Surrey County Council, being the appropriate Council, a statement ("the second statement") accompanied by a plan delineating the green land. (The green land was edged red on that plan but is edged green on the present plan to distinguish it from the land referred to in paragraphs 1 and 2 above.) The second statement stated that the ways which were coloured purple on the plan which accompanied it and which are within the green land and coloured purple on the present plan had been dedicated as footpaths and that no other ways had been dedicated as highways over the green land.
- 5 No additional ways over the red land or the green land have been dedicated as highways since the first and second statements respectively and at the present time I have no intention of dedicating any more public rights of way over the red land or the green land.

And I make this solemn declaration on 8th November 1996 conscientiously believing it to be true and by virtue of the Statutory Declarations Act 1835.
