I am the owner of the land described in paragraph 4 of Part A of this form and shown edged red on the map accompanying this statement.

Ways shown coloured green on the accompanying map are public bridleways.  
Ways shown coloured purple on the accompanying map are public footpaths.

No other ways over the land shown edged red on the accompanying map have been dedicated as highways.

Upon the said plan there are marked in blue two paths for which I have given temporary consent to members of the public to walk over at their own risk. However, these paths are not being dedicated to the public at large to use.

I am the owner of the land described in paragraph 4 of Part A of this form and shown edged red on the map accompanying this statement.

map.

**PART E: Additional information relevant to the application**  
***(insert any additional information relevant to the application)***

The map accompanying this statement shows the route of footpath 61 between bridleway 26 and East Shalford Lane as per the definitive map. However, this is straddled by a pillbox and in practice the public follow the route marked "Path".

To the eastern end of Manor Farm the public have, for many years, walked along bridleway 610 in favour of footpath 26 which is shown on the definitive map as running immediately adjacent to this.
