Dear Sir,

SECTION 31(6), HIGHWAYS ACT 1980
THE MASTER BUILDERS & KITLANDS FARM BUILDINGS

Further to my recent visit to your offices and my discussions with the Rights of Way Officer of the Highways authority, I enclose two photostats of a drawing of my property at the above address.

Footpath number 564 is shown in purple, skirting part of the northern boundary.

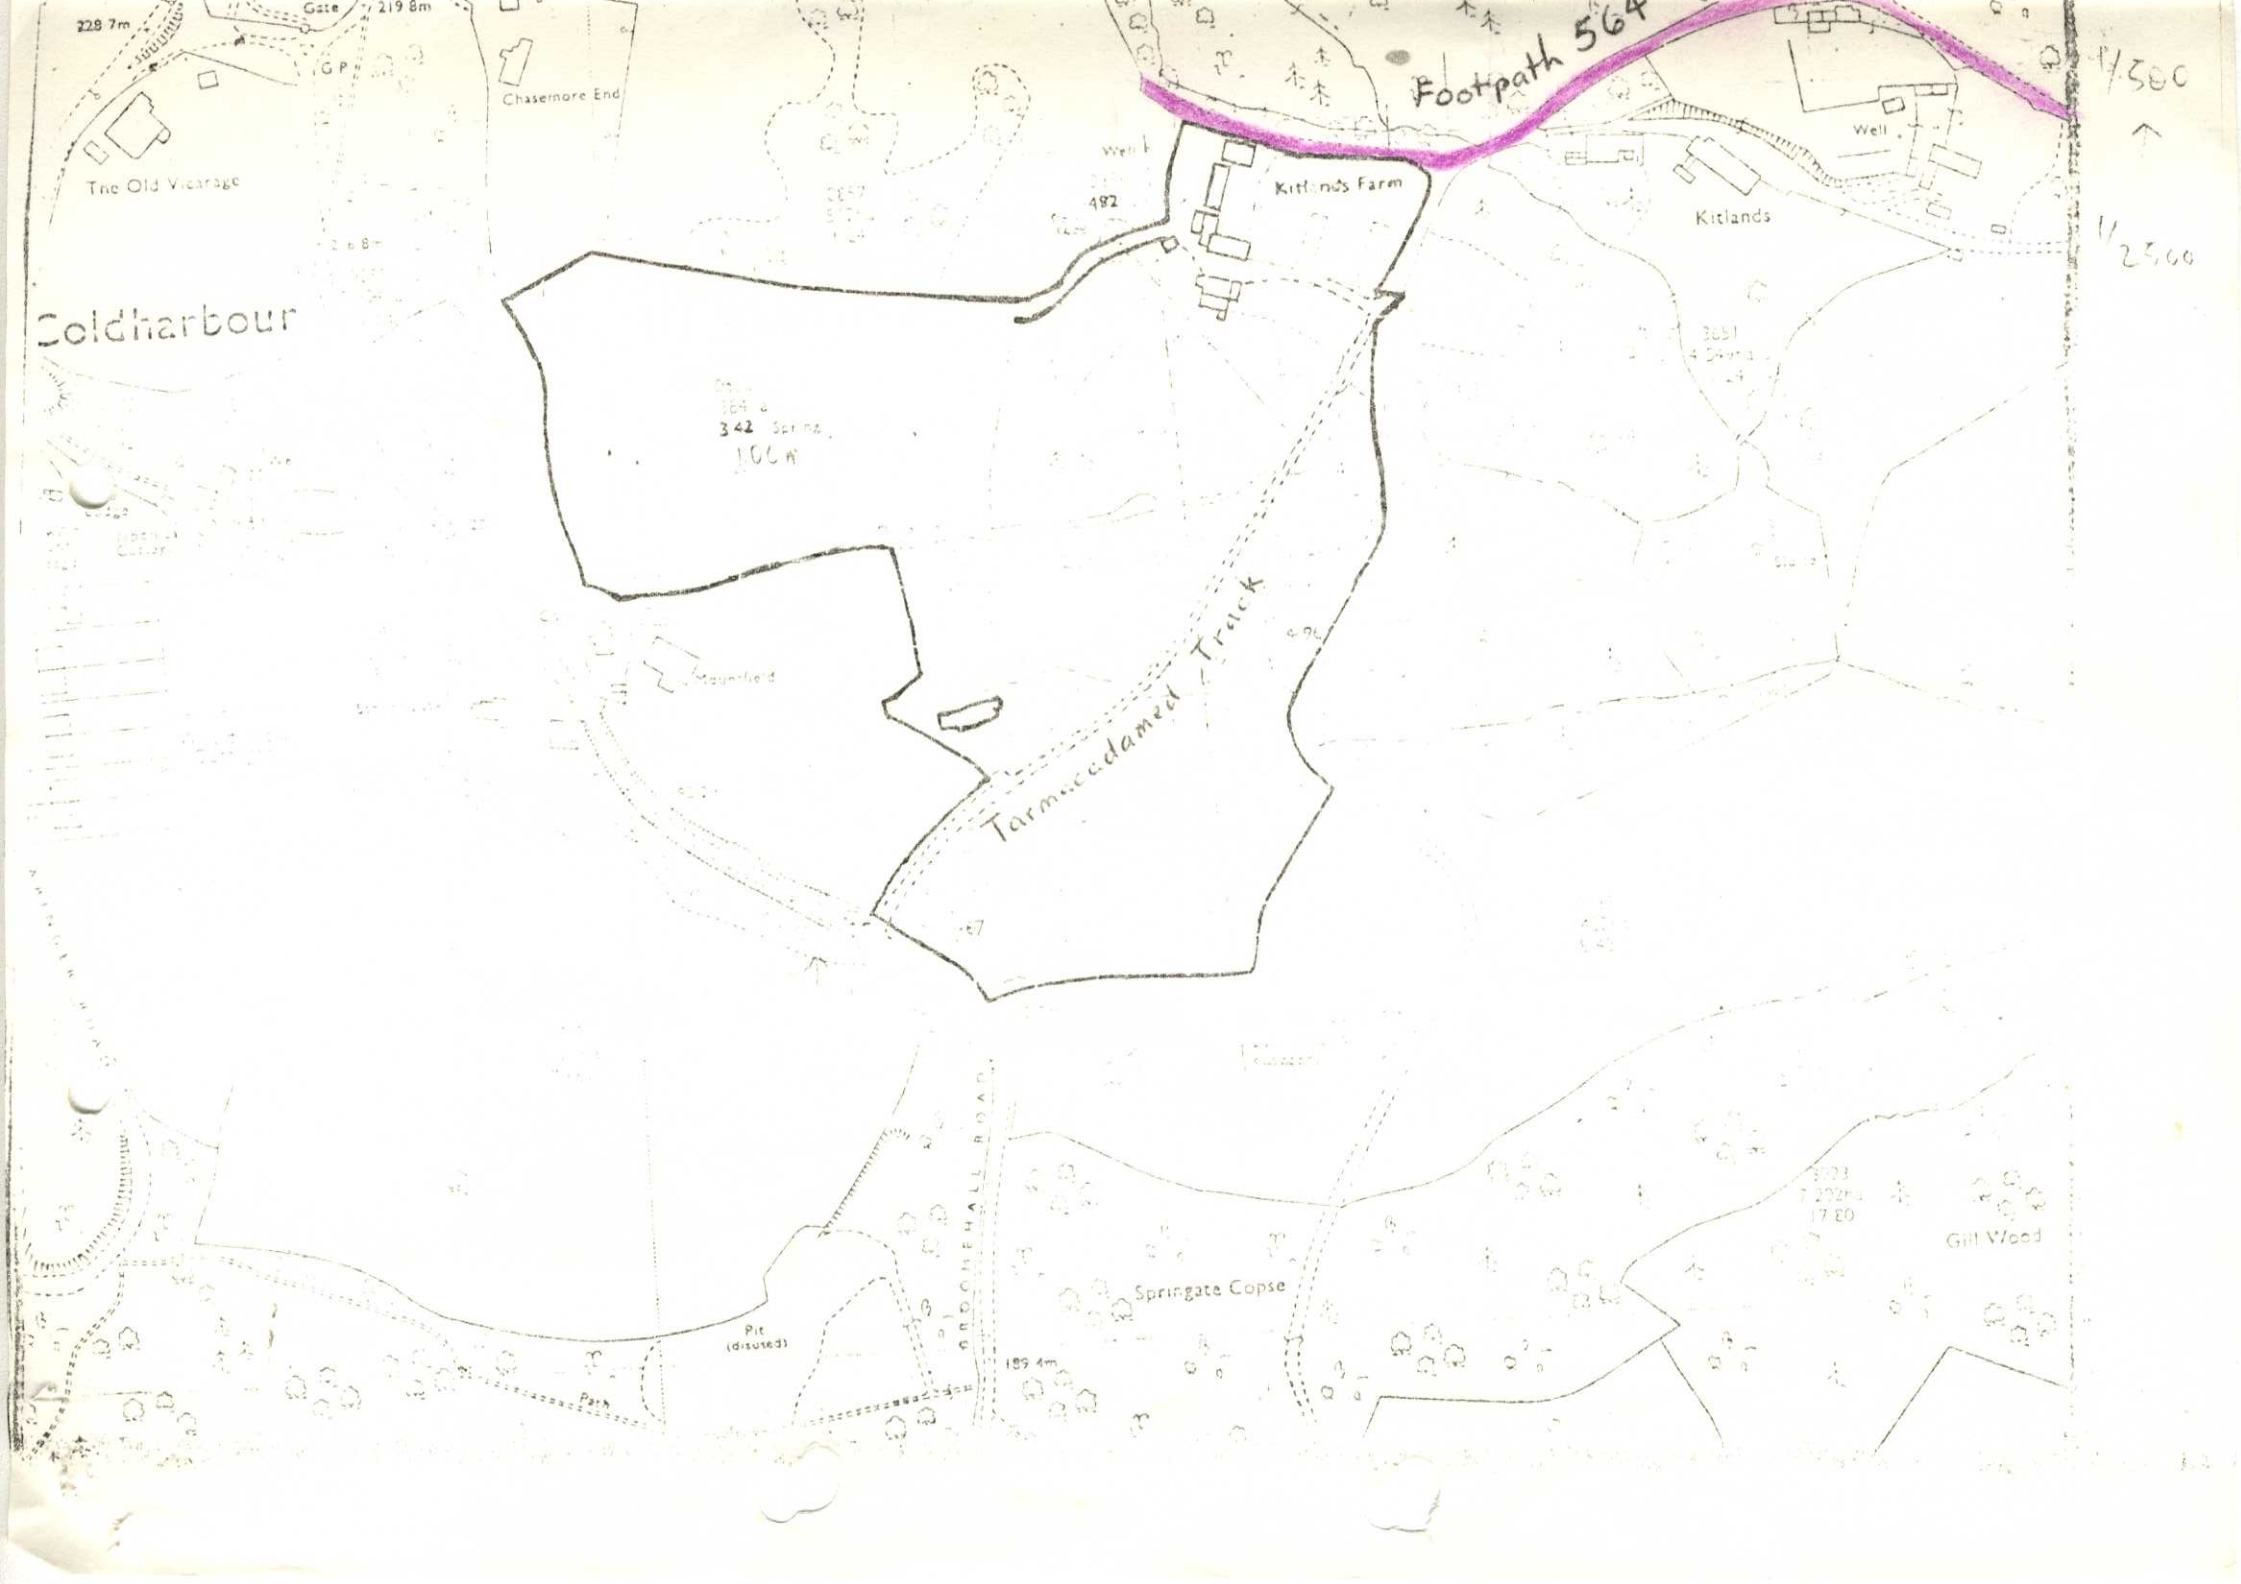

I wish to declare in this statement that no public rights of way exist over my land, having particular regard to the tarmacadamed track terminating at Broomhall Road to the South.

A similar letter has been sent to the County Engineer, a copy of which is attached.

Yours faithfully,

G.E. Briggs.
