The definitive map & statement are conclusive as to what they contain but not as to what they omit. The fact that a right does not appear in the definitive map & statement does not necessarily mean that it did not exist at the date of the map. Further the map in no way stops the acquisition by the public either by express dedication or by user of new public rights of way.

This copy has been made by or with the authority of the Definitive Map Officer pursuant to Section 47 of the Copyright Designs & Patents Act 1988. Unless this Act provides a relevant exception to copy right, the copy must not be copied without the permission of the copyright owner.
